Legal and Tax Services

2024

Business Portfolio

Who We Are

“Turan Legal and Tax Services” LLC was established in 2018 with the mission of developing legal industry in Azerbaijan by leading lawyers of various international organizations. We have chosen integrity, mutual trust, innovation as leading principles for our practice.

From the beginning of our existence, we embrace innovation in our activities and provide the highest quality of legal and tax consulting services to the large local companies operating in the field of commercial, wholesale and retail, real estate, tax, education, pharmaceuticals, finance, information technology, tobacco production, etc.

Our Vision

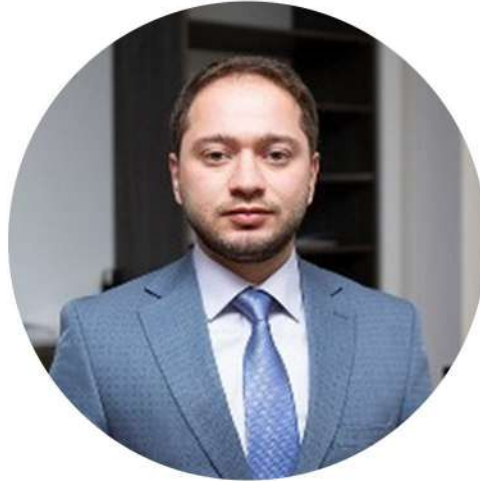

- To be a reliable law firm serving with the highest consulting standards in Azerbaijan.
- To provide cost-effective cutting-edge quality services.
- To work for the successful development of our clients.

Our Mission

- Our mission is to keep your business legally safe.
- We aim to contribute to the growth of our clients through high-quality services, professional management, detail-oriented teamwork, continuous interaction and digitalization.

Our Team

Zalbey Aghadashov

Zalbey is an experienced Lawyer with a demonstrated history of working in corporate law, contract law, anti-corruption law, international arbitration, legal audit, shareholder due diligence in areas of pharmaceuticals, tobacco, education, marketing, etc. Serving as a Legal counsellor to various industry CEOs.

He advised and represented a major local corporation on its multi-million dollar commercial litigation in Istanbul International Arbitration Court and led the case to mutual settlement (2018-2020).

He handled an international cyber-security damage recovery case for the local wholesale corporation in the amount of 350 000 USD in the foreign jurisdiction (Sweden).

He advised the branch of the international oil and services company on the complicated transaction in the amount of 1.5 mln USD.

Recovered more than 2 million dollars damage in various embezzlement cases by negotiations and legal proceedings.

He performed and organized a full outsourced legal function to clients, as well as support in contract management, anti-corruption and anti-money laundering systems, tax advisory, corporate matters, litigation, employment and migration issues.

Zalbey holds a master degree from the University of Cergy-Paris (former Cergy-Pontoise)

He also completed CCMP – Contract and Commercial Management Practitioner training, performed by the leading expert of the World Commerce and Contracting Association (former IACCM).

Andrey Garifullin

Andrey Garifullin is one of our legal experts who has vast experience in different companies and industries on a local and international level.

Namely, he has worked for a long period at international prestigious companies located in Dubai.

Afterward, he has collaborated as a Legal Advisor, Document Controller, Procurement and Project Manager on different projects in co-operation with the big international companies in Azerbaijan such as ABB, BP, Halliburton, Siemens, Emerson, Tyco Electronics, Azerenergy, Aztechizat, Ktib Holding, Schneider, CNEEC, Energomera, KraussMaffei, etc.

Fatima Eyyub

Fatima Eyyub specializes in tax law, financial law, financial technology law, contract law, and various areas of commercial law. Her responsibilities encompass providing comprehensive legal advice to clients on a range of commercial law issues.

This includes, but is not limited to, advising on national and international taxation, managing the production and sale of tobacco products, obtaining business activity licenses and permits, preparing memoranda and legal opinions, developing schemes for tax optimization, and crafting contract projects.

Currently pursuing graduate studies at the University of Arizona, she is committed to advancing her knowledge and staying informed about the latest legal developments. She leverages her academic pursuits and practical experience to offer strategic guidance to clients, contributing to the success of their commercial endeavors in an ever-evolving legal landscape.

Fluent in Azerbaijani, English, Russian, and Turkish languages, she ensures effective communication and collaboration with a diverse range of clients.

General Overview

We cooperate with large local and international companies operating in fields as **wholesale and retail trade, the tobacco industry, information technology, and cybersecurity, pharmacy, real estate, education**, etc., and provide them with top-quality legal and tax services.

Corporate & Commercial

Our firm's expedient experience in the Corporate and Commercial sphere serves a wide range of major corporations and organizations concerning M&As, commercial markets, transactions and general corporate and commercial advisory and legal matters.

We offer Full Legal Outsourcing Services to meet our client's needs in support of their business operations. This includes overseeing relations with authorities (a.k.a Government Relations) and other stakeholders, court representation, contract management, and preservation of documents and other tasks that would normally be done by the Legal Department of the Company.

Our contract specialists constantly review and monitor the enforcement of thousands of multi-million-dollar distribution agreements from all over the world and continue to serve our clients in making their operations absent of any legal controversies and disputes. In case of any disputes regarding contractual obligations, our lawyers promptly contact relevant parties and initiate legal procedures to defend our client's interests.

Local companies also receive our bidding-supporting services in which our lawyers work with our client's procurement specialists to ensure all the documents regarding the proposal are complete. This also includes any consecutive negotiations with the authorities and filing complaints in case of any irregularities observed during the bidding.

- Contract Drafting and Management
 - Government Relations
- Antitrust and Competition Litigation & Disputes
- Representation in 1st, appellate, cassation instances
 - Risk Management
 - Public and Private Procurement
 - International Trade Law
- Government Relations and Communications

Dispute Resolution & Litigation

Our experienced lawyers have a long-time practice in the representation of the clients before the courts and regulatory institutions. Their practice covers leading enormous commercial lawsuits, proven mechanisms of negotiation and conciliation, cross-border litigations etc.

We assist during all the stages of a lawsuit and advise on any possible legal risks and related circumstances. With a professional and individual approach to each legal dispute, our lawyers guarantee “the best practice” and minimum costs for the whole legal process.

Our Litigation division had successfully recovered multi-million dollars of damage in embezzlement cases and arbitration disputes. Since 2018, we have represented our clients in hundreds of court proceedings, clearing damages that amounted to millions of dollars.

Currently, our company has **5 lawyers** with membership to the **Bar Association of the Republic of Azerbaijan** which sets us apart from most of the local legal consulting firms. Our company is in the process of establishment of Law Office per the laws and regulations of the Republic of Azerbaijan. With a sustainable expansion in mind, we are working on opening offices in several regions of Azerbaijan in the near future.

Our services include:

- Mediation & Alternative Dispute Resolution
- Representation in 1st, appellate, cassation instances and European Court of Human Rights
- Public and Administrative Law
- Shareholder Disputes
- Intellectual Property Disputes
- Fraud and Asset Recovery
- Government Relations and Communications

Tax Advisory and Reporting

We advise our clients on all areas of tax, including matters about the state's tax policy, double taxation, financial disputes, tax planning and reporting.

Turan LTS's Tax Division advises on some of the most complex, and highest-profile domestic and cross-border transactions. We not only understand the nature of our client's transactions but also get their businesses, a critical part of the team that works to accomplish each client's business goals. Our clients rely on us to deliver innovative, comprehensive, and tax-efficient solutions on nearly every type of domestic and cross-border transaction presenting significant tax issues.

We also consult the joint-stock companies, LLCs, NGOs and organizations that go through merger and acquisition or any other type of reorganization process regarding their tax policy and tax consequences.

Everchanging tax regulations require immediate response and changes. With our direct support and partnership, you can safely concentrate on your business operations, without contemplating complex tax-related matters.

With strict banking regulations, all domestic and international companies need some legal support in their cross-border operations.

We support our clients in their international transactions and provide them with our direct support in figuring out the best possible way to transfer funds.

- Tax Advisory and Reporting
- Tax Planning & Reorganization
- Cross-Border Transactions
- Employee Benefits and Executive Compensation
- Tax Litigation & Disputes
- Government Relations and Communications

IT & Cybersecurity

IT Law and Data Privacy Laws and regulations currently impact most enterprises and individuals during normal business operations. Any company operating with a digital presence may find itself in the middle of legal disputes regarding Data Privacy and Protection. It is a rapidly developing field, thus containing many legal loopholes and uncertainty. We believe, having a legal firm on your side, will be indispensable to secure you from costly legal disputes.

Turan LTS is one of the few companies in Azerbaijan that constantly works and supports technology firms since their infancy. We provide them with preliminary legal support in establishing businesses, by creating corporate governance systems, internal protocols.

For companies that operate through Website & Applications, we assist them in compliance with data privacy regulations, to make sure they comply with GDPR, CCPA, LGPD and other laws and regulations. Our experienced lawyers assist StartUps, and other Tech-based companies in their operations to incorporate in foreign jurisdictions, writing business-specific and comprehensive TOS, Privacy Policy, Cookies Policy and other required documents.

Here, we are providing the following services on IT law:

Draft and review of the contracts related to IT Law such as Service Level Agreements, Reseller agreements, IT Consultancy agreements, IT Support & Maintenance agreements, Software License Agreement, Software Support Agreement, Website Development agreement, Confidentiality (Non-disclosure) agreements, etc.

Preparation of internal regulations, such as Code of Ethics on social media for employees; the Usage Terms of the Web Platform; Privacy Policy.

Check the compliance of IT systems with legal standards and detect if any risk(s) and/ or breach(es) exist.

- Reviewing and Drafting TOS, GDPR, Privacy Policy
- Incorporation in Overseas Jurisdictions such as the U.S, Ireland, Estonia, UAE etc.
- Advising on Cyber Security and Data Privacy
- Structuring Corporate Governance
- Representation in 1st, appellate, cassation instances

Governance & Compliance

In the modern era, companies wishing to expand and diversify their businesses need to establish a well-written corporate governance and compliance procedure. This not only helps the company itself but also employees to navigate the procedures that are required to be followed if needed.

As part of our Full-Legal outsourcing services, we work with our clients in the establishment of corporate structure and governance to assist their operations to be risk-free and without any sacrifice in profitability.

So far, we have served over 20 local companies in the establishment of their corporate structure by introducing internal compliance procedures, protocols as well as monitored their daily business to ensure smooth operations.

Furthermore, our Compliance Division consists of experienced lawyers in monitoring and supervision of ISO certification. We prepare internal protocols, procedures, and other needed documents for companies who wish to receive ISO certification, including but not limited to **ISO 37001, ISO 9000, ISO 20400** etc.

- Preliminary Monitoring of Operations for ISO Certifications
- Establishment of Corporate Governance Structure
- Internal Protocols and Procedures
- Establishment of the Procedures for Whistleblowing
- Representation in 1st, appellate, cassation instances in Azerbaijan
- Court Representation in International Disputes
- Government Relations and Communications

HR

Our human resources division has served employers, human resources professionals, and corporate counsel in the human resources planning and compliance process for many years. We assist our clients in the establishment or modification of HR-related policies to ensure compliance with applicable legal requirements and sound human resources practices; providing legislative updates and preparing multi-state surveys on important employment-related developments; structuring tax-efficient Human Resources system; handling civil court cases, assisting HR personnel in various legal matters during business operations.

Migration

Immigration is a key consideration for businesses around the world. Companies need highly skilled individuals to meet skilled labour shortages and fulfil operational requirements. Retaining an increasingly globalized workforce is a challenge as workers seek the opportunity to work in different countries. Many companies operating in Azerbaijan requires foreign workers in fields such as Oil & Gas, Project Management, Technology and many more. Migration Laws and regulations need to be strictly followed to avoid any legal problems, including hefty fines. Our immigration practise provides clients with practical, forward-thinking advice to help them understand the complex immigration legislation, rules, and guidance. We work with clients on all aspects of immigration, including assisting throughout the lifecycle of an immigration application and advising on compliance and other immigration issues. As our company collaborated with major companies with a considerable number of foreign workforces, lawyers at Turan LTS have established a strong command on immigration issues, by actively advising our clients in legal implications of any requests

We assist our clients in obtaining work permits, permanent resident status, study permits, visas, citizenship and other Migration related legal disputes.

- Employment, Labor and Migration Litigation
- Immigration Law including, visas, work permits, citizenship
- Investigations of Workplace Disputes and Allegations
- Representation in 1st, appellate, cassation instances and European Court of Human Rights
- Court Representation in International Disputes
- Government Relations & Communications

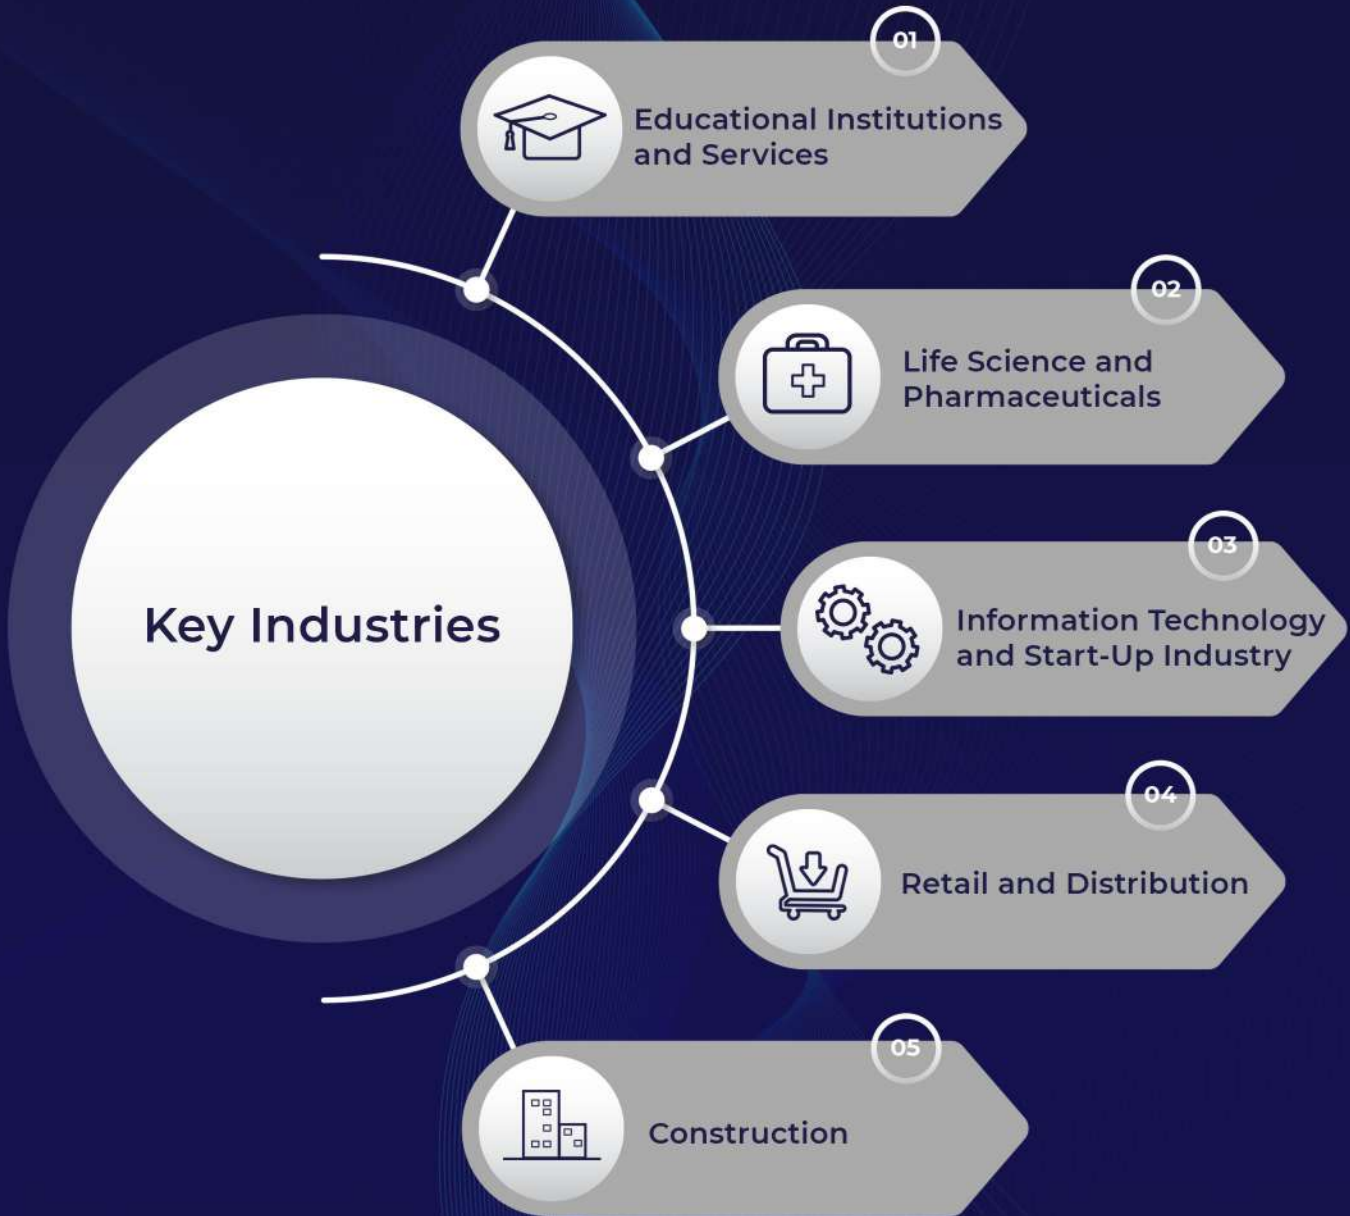

Translation Services

We are a company established on the experience of lawyers with extensive international experience and training. Thus, we believe every legal document is required to be reviewed by the lawyer if it is being translated. At Turan LTS, you can request for professional translation of legal documents from Russian, English to Azerbaijan or vice versa.

As a multilingual legal firm, most of our colleagues at Turan LTS had received different levels of law degrees from prestigious universities all over the world. As 90 per cent of our core staff are proficient in English and received appropriate training regarding Legal Writing & Translation, and also our partnership with one of the leading translation services in Azerbaijan, we offer high-quality legal translation services that would ease your job, without any obscurity, tailored for your needs.

- Translation of Legal Documents from English to Russian, Azerbaijan and vice versa.
- Individual Approach to each document to provide a clear rendering of the original document

Retail and Distribution

Companies operating in retail and distribution practices daily face legal challenges. Because of purchasing behaviours of customers, global events that disrupt the global supply chain system require businesses to reach out to legal professionals for instantly adapting new circumstances.

We offer our clients full legal support in their current and future activities. After the Covid-19, while complexities had exponentially increased in international trade operations, as with logistics, insurance costs, companies over the world shifted towards digitalized shopping to meet the demand and keep businesses insolvent. Businesses operating in Azerbaijan have been affected as a result of these developments.

To avoid any legal scrutiny and financial troubles concerning traded goods and services, business owners need to make sure the distribution agreements, sale and purchase agreements are constructed with utmost attention to the safety and protection of the business, and at the same time, it is well protected from the regulatory challenges in the digitalized form of business.

Also, we help our clients in building their Corporate Management Structure and prepare them for ISO Certification. After our support, clients can directly apply for ISO Certification to guarantee their approval from the first audit.
